Cut a piece from a roll of Medium/Heavy Cut Away to fit your hoop size.Hoop the backing underneath the item you are embroidering,Embroider the design and remove from the hoop.Trim the excess backing with a sharp pair of scissors while being careful not to cut stitches or fabric.It is advisable to leave a 1-2cm edge to be safe.

Please note that as not all embroidery designs and fabrics will not always react the same , you may need to use a second piece depending on stitch density and fabric being embroidered !
