

No Show Cut Away Backing

No-Show Backing

- *Unique Design Allows for High Stitch Support.*
- *Lightweight*

Available in

- *Cut Away & Iron*
- *Black & White*

Ideal For - Sportswear, Corporate Wear, Hi-Viz Workwear, even Quilting.

No Show Cutaway Embroidery Backing is soft, sheer, stable and is a translucent Nylon Cutaway backing . It has been specifically designed to eliminate the backing from showing through the garment and is ideal for lightweight fabrics such as Lycra, High Performance wear, Ladies blouses and light coloured fabrics whilst providing stability .No Show Cutaway embroidery backing has a unique pattern that is multi directional and provides more stability than other embroidery backings. Therefore it will hold more stitches per single layer than your regular backings ensuring better registration.
