

Badge Fabric pre-backed.

Our pre Badge fabric ideal for making badges in house. It is a 100% Polyester twill that is 56cm wide with a pre backed heavy Badge backing already to attach. As both the fabric and backing is Polyester it can be either heat cut around the edge of the badge or overlocked depending on the customers requirements.

*This Product is Available in the following Colours:
**White, Black, Red, Gold/Yellow, Maroon,
Orange, Royal Blue, Grey, Green.....**
(please see swatch book for colour detail).*

For best result this product should be applied with a fusing press .
For more information on making badges visit our website and look
up badge making instructions.
